Disk Adjustable Mouse Platform

\$46.64

The Task 2 Disk Adjustable is a fully adjustable mouse platform that can be placed on the left or right side of your keyboard platform. It features 15 degrees positive and negative tilt, can be raised and lowered 0.5 inches and swivels in 360 degrees. Simple plug and play installation makes this option easy to install and easy to adjust!

Task 2's platform accessories make it easy to extend your keyboard platforms usability! These options are all functional and easy to use!
