Task 2

Adjustable Surface Platform

\$48.84

The Task 2 Adjustable Surface is a multi-functional, fully adjustable platform that can be placed on the left or right side of your keyboard platform. It features 15 degrees positive and negative tilt, can be raised and lowered 0.5 inches and swivels in 360 degrees. Use as a writing surface, mousing tray, graphic surface and other uses. Plug and play port system makes it easy to use and adjust!

Task 2's platform accessories make it easy to extend your keyboard platforms usability! These options are all functional and easy to use!
